(Designation) President, Taluk Board, Mangalore

To The Secretary to the Government of Madras,
Local Self Government **Department.**

Sir, through, The District Medical Officer, South Kanara,
and
The Surgeon General with the Government of Madras, Madras.

Sir,

I have the honour to submit herewith a copy of the Taluk Board Resolution requesting that Government may be pleased to sanction contribution on behalf of the Medical Officers employed by my Taluk Board at the rates allowed for Assistant Surgeons.

2. My Taluk Board has been maintaining two Hospitals viz., one at Bantwal and the other at Moolky; the dispensary at the latter place having been converted into

into a Hospital with effect from 1st April last on the recommendations of the District Medical Officer in the matter. The place is situated midway between the two Government Hospitals at Mangalore and Udipi and at a distance of 18 miles with two ferries to be crossed to reach each hospital. Consequently the opening of the hospital is found essential.

3. Both these medical institutions are in charge of Medical Graduates. The circumstances under which these Medical Graduates have been employed were fully explained in this office letter Ref.2198/M.T.P./29 dated 7th August 1930 read in G.O.No.'s., 3473 P.W., dated 3rd October 1930. The scale of pay of these Medical Officers is Rs.125/- annual - 175. It will thus be seen that the maximum pay of these officers is below the minimum prescribed for Civil Assistant Surgeons viz. Rs.200/-. By the employment of Medical Graduates my Board has been deriving great benefit at minimum cost.

4. In para 4 of G.O.No.3047 P.W. dated 19th August 1929, Government have ordered payment of contribution at the rates specified therein to local bodies towards the pay of the Medical Officers irrespective of the fact whether they are recruited by local bodies or by Government. The qualifications of the Medical Officers employed by my Board are in no way less than those of the Civil Assistant Surgeons.

I need not say that the finances of the Taluk Boards are very limited. The Taluk Boards have been from the last official year, made to bear the provident fund contribution on behalf of their subordinates while the same was paid by the District Board prior to it. Besides my Taluk Board is the only one in the District which has not received any benefit of relief of Taluk Head Quarter Hospitals from Government.

6. Under the above circumstances, I request that Government may be pleased to reconsider their order No.is.; 3473, P.W. dated 3rd October 1930 and to sanction enhanced rate

of percentage contribution at 33⅓ on behalf of the Medical Officers employed by the Board at Pattukkottai and Mallipattinam.

I have the honour to be,

Sir,

Your most obedient servant,

30832

President.

2. Attention is invited to G.O.No. Ms. 2473 P.H., dated 3rd October 1930 passing orders on the question raised by the President, Taluk Board, on a previous occasion.

3. In my opinion, medical officers of the grade of sub-assistant surgeons are sufficient for these two stations and as such, I do not recommend the payment of enhanced rate of contribution as requested by the Taluk Board in view of the orders in G.O.No.734 P.H., dated 10th May 1924.
